

**I want you
to consume!**

**Happiness Can't Be
Gift Wrapped!**

*Take the holidays back
from corporations that don't
care about you
or the world we share!*

Give a gift that matters this holiday season. Buy from companies that have made a commitment to the health of the planet & it's occupants. Or make a gift that will be appreciated more than anything money can buy.

There *are* companies that don't pollute, employ child labor forces or run sweat shops. And there will be more with our support.

This holiday be an example of how each of us can make a difference.
